QUALITY TABLES, PLASMA STANDS AND BOOKCASES

Interior Hardwoods LLC is a branch of Interior Wood Finishing which was founded in 1996 doing finish work for more than 30 different furniture stores across the country.

Started in 2004, Interior Hardwoods LLC builds quality tables using Oak, Quarter Sawn, Cherry, Brown Maple and Hard Maple wood. We offer more than 34 different styles of tables, built in a reasonable time frame for our dealers, for their customer's satisfaction.

Our facility is just under 10,000 square feet so we do have room for storage until your truck arrives for load out. We have one truck dock and two trailer docks for easy pick-up and delivery.

Remember, God created the tree...and our tables are a part of it.

Have a wonderful year and may you be blessed.

Jake Kuhns

About our "rustic" wood…

The natural character of "rustic" wood makes every piece unique. Mineral, sap, knots, bird pecks and color variations are common characteristics allowed. All furniture is structurally sound, and location of knots, etc. may not be specified by the customer. There are no warranties on "rustic" wood.

SPECIAL NOTE: You purchased a beautiful piece of furniture and you need to protect it. The humidity of your house or office should be kept between 35% and 50% moisture, or your table tops may move, warp or crack. If your home is not kept within this range, it will void the warranty* of the furniture. (We can still fix it for you at a reasonable cost.)

**Standard warranty is one year from our invoice date.*
